RE: TIP Amendment Request for 5310 funds in the Provo-Orem Urbanized Area

Dear Andrew:

In the past, 5310, JARC, and New Freedom funds were administered by UDOT for all Utah areas. MAP-21 created and consolidated these programs into a revised 5310 program called Enhanced Mobility of Seniors and Individuals with Disabilities. As you will recall, MAG, WFRC, UDOT, and UTA consulted with one another and determined that UTA should be the designated recipient for the funds in Utah’s large urbanized areas.

UTA requests that the TIP be amended to reflect this change. This amendment request is to show the funds for the Provo-Orem UZA in the TIP and STIP. Please insert the amounts for 2015 and the estimates for 2016-2020 into the TIP as follows:

<table>
<thead>
<tr>
<th></th>
<th></th>
<th></th>
<th></th>
<th></th>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>TOTAL</td>
<td>$535,914</td>
<td>$301,201</td>
<td>$307,225</td>
<td>$313,370</td>
<td>$645,668</td>
<td>$2,103,378</td>
</tr>
<tr>
<td>Federal</td>
<td>$428,731</td>
<td>$240,961</td>
<td>$245,780</td>
<td>$250,696</td>
<td>$516,534</td>
<td>$1,682,702</td>
</tr>
<tr>
<td>Local</td>
<td>$107,183</td>
<td>$60,240</td>
<td>$61,445</td>
<td>$62,674</td>
<td>$129,134</td>
<td>$420,676</td>
</tr>
</tbody>
</table>

NOTE that 2015 includes funds allocated by FTA in fiscal years 2013 and 2014. The rest of the years are estimates of what will be allocated in the prior federal FY.

When the current TIP was being developed, UTA only had estimates on the FY 13 and 14 amounts that would be executed in grants in 2015. Now that we have details we can amend in the correct amounts. Going forward, the correct amounts will be included in the normal TIP development process.

Thank you for your attention to this matter, and to your staff for their help making the amendment as soon as meeting schedules allow.

Sincerely,

Matt Sibul
Chief Planning Officer
