Chairman Dennis Marker called the meeting to order at 1:30 p.m.

Approved the March 23, 2015 Meeting Minutes

Dennis Marker moved to approve the March 23, 2015 minutes. Dave Graves seconded the motion. The motion carried unanimously.

Unified Planning Work Program (UPWP) - Nan Kuhn

Nan Kuhn presented the July 1, 2015 to June 30, 2016 (FY-16) Unified Planning Work Program. Nan described the work undertaken by Mountainland Metropolitan Planning Organization Staff, Utah Department of Transportation Staff and the Utah Transit Authority Staff within the Mountainland MPO planning area. The Work Program is an annual budget. It illustrates to our members, Federal Highway Administration, Federal Transit Administration, and the general public where our planning resources are allocated. It describes the planned work, budget, and funding sources.

Dave Graves moved to adopt the Executive Summary of the MAG MPO FY-16 Unified Planning Work Program. Ken Anson Seconded the motion. Motion passed unanimously.

Local Government Collaboration Map Demonstration - UDOT

Craig Hancock demonstrated the UDOT UPLAN Map. UPLAN is an interactive mapping platform that supports UDOT by helping visualize their data, track their assets and strengthen their transportation planning with better analysis and collaborative information. To use the UPLAN map type UPLAN in Google and hit the top link for the UPLAN framework environment. There are a variety of layers that represent the data UDOT feels is important to share.
Other Business-

A. Shawn Eliot requested AADT numbers from cities that keep traffic count on a routine basis.

B. UDOT: Dave Graves informed TAC that there are additional funding sources available through the Joint Highway Committee.

C. UTA: Ken Anson reported that the 850 route is running every 15 minutes. Citizens are pleased and giving positive feedback.

The next meeting is scheduled for May 26, 2015

Mark Christenson moved to adjourn the meeting. Jeremy Lapin seconded the motion. Motion passed unanimously.

Meeting closed at 2:04 p.m.
