**Public Comment:** None

**Formula Distribution Discussion** - Robert Allen, MAG
Information was presented regarding Orem City’s proposal to use a formula distribution for Regional Transportation Plan funds. MAG staff discussed the pros and cons and the committee engaged in a general discussion.

**Other**
Legislature put $1m towards the Technical Planning Assistance Program last year. The program is managed by UDOT. Eligible projects include plans, studies or analysis related to land use and/or transportation. Applications must be submitted Monday, October 7, 2019. MAG staff are available to assist upon request.

Next TAC meeting is scheduled for Monday, September 23, 2019, 1:30 p.m.

**Steve Mumford adjourned the meeting at 2:30 p.m.**
